What is Kids Fest

Kids Fest is a vibrant, community-driven festival designed to inspire and empower children by providing them with opportunities to explore their talents, discover new activities, and shine on stage.

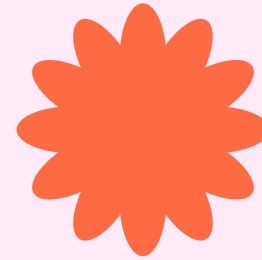

The event brings together kids, their parents, educators, and local businesses to create an unforgettable experience filled with music, dance, sports, creative workshops, and interactive performances.

Kids Fest

TRUSTED BY COMMUNITY

APPROVED BY KIDS

What makes Kids Fest truly unique is that it not only offers families the opportunity to attend and participate in a variety of activities for free, but it also provides educational businesses and nonprofit organizations dedicated to children and youth with a platform to showcase their programs and services at **no cost**.

By fostering this mutually beneficial environment, the festival creates **a space where children can explore new interests** while local organizations connect with their future students and communities in an engaging and meaningful way.

The Story Behind Kids Fest

The idea for Kids Fest was born out of a passion for creating a space where children could freely express themselves, try new things, and be celebrated for their creativity and skills.

In 2024, we launched the very first North Shore Kids Fest, and the response was incredible!

A Remarkable Success

The inaugural event welcomed hundreds of families, featuring over 30 activity zones, performances by talented young artists, and special appearances by community leaders. Children had the chance to participate in music and art workshops, sports demos, and even a grand dress-up parade. The festival created lasting memories and set the foundation for an annual tradition that will continue to inspire and unite the community.

Kids Fest

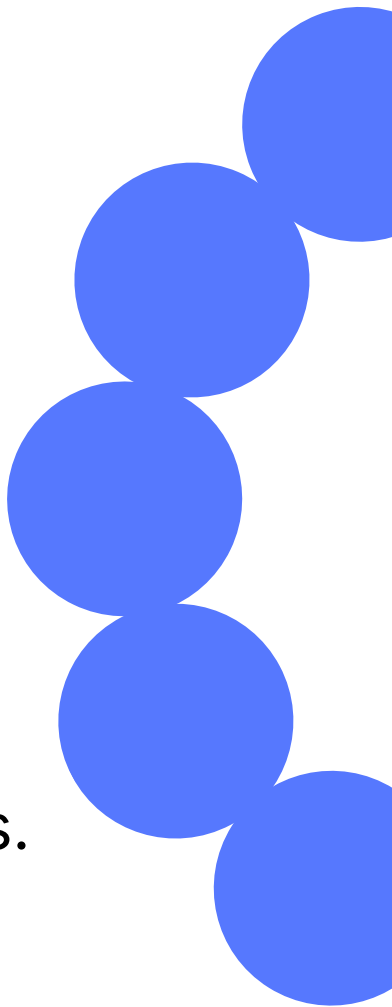

The North Shore Kids Fest transforms the North Vancouver Shipyard into an open-air celebration of Childhood, attracting visitors from all over Metro Vancouver.

**THE EVENT IS

Who We Are:

Building a Brighter Future for Kids

Behind Kids Fest stands the Wonder Wonders Foundation—a nonprofit organization dedicated to supporting children’s development, fostering mental health, and strengthening community well-being.

Founded by **Anna Boltenko**—a powerhouse of inspiration—and **Anna Sharonova**—an incredible visionary—both passionate residents of North Vancouver, the foundation was born from their shared belief in giving back to the community they call home. Their mission is simple: to create opportunities where children can thrive and to make the city a better, more vibrant place for future generations.

Together, they assembled an extraordinary team that shook the city last year with an unforgettable festival—and they’re just getting started!
